

Creative Writing Assignment- Organelles

Objective: Create an essay that demonstrates your knowledge of cell organelles through the use of analogies. The analogies should relate to the function of the organelle and should be apparent in your writing. Use your creativity!

Due date: Monday/Tuesday
September 17/18

Requirements:

1. At least 3 paragraphs that are 5+ sentences long
2. Recognizable analogies for all eleven organelles listed on pg. 187 (Table 7.1)
 - a. Plasma membrane
 - b. Cell wall
 - c. Ribosome
 - d. Chloroplast
 - e. Cytoskeleton
 - f. Endoplasmic reticulum
 - g. Golgi apparatus
 - h. Lysosome
 - i. Mitochondrion
 - j. Nucleus
 - k. Vacuole
3. Must have HARD COPY. If you choose to type it, you MUST have a printed copy on the due date. NO CREDIT will be given for digital submissions.

Rubric:

- 11 organelle references are underlined and their analogies are clearly used (11 points)
- Analogies are correctly used and directly relate to the organelle's function (11 points)
- Creativity and originality (3 points)
- At least 3 paragraphs long that are 5+ sentences each (3 points)
- Essay is written clearly and analogies make sense as a whole (2 points)

Total: 30 points
