

Geologic History Research and Drawing
DUE WED/THURS

Objective: Draw an engaging scene that accurately represents the Era assigned. You will be **teaching your table** about your Era using this visual next class!

Possible Eras: (1)Precambrian time, (2)Paleozoic, (3)Mesozoic, (4)Cenozoic

Requirements on front (10 points):

- Hand- drawn scene that depicts the Era you were assigned. Make sure to title it.
- **Make sure the scene you draw matches the information listed on the back.**
- Must be colored or thoughtfully shaded.
- Creativity and neatness*

Requirements on back (10 points):

- Time span and periods (Precambrian time does NOT need periods)
- Major life forms
- Earth's Climate
- Additional interesting information from textbook and internet research
